Applicant's election of the species Figure 3 without traverse has been acknowledged.

Claims 27 and 29 are withdrawn from consideration.

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 19-26, 28, 30-38 are rejected under 35 U.S.C. 102(b) as being anticipated by German 195 49 166, considering element 41 of figure 5 as the claimed attachment, the reference show all the structure of the device as recited by the claims.
